ZEE ZEES® SNACK WING

PAPER AIRPLANE

5-min kid craft - No scissors needed!

What you need:

- **Printed Zee Zees paper airplane**
  Print one for a child or enough for the class

Instructions:

1. Start with the paper in front of you with the "UP" arrow at the top. Flip the paper over so that the printed side is facing down and the lines are not visible.
2. Fold the paper in half lengthwise, making sure to crease along the edge. Then, unfold the paper.
3. Fold the top right corner down to show line 2 and press down to make a fold. Do the same on the top left.
4. Fold and crease line 3, bringing the top over the bottom.
5. Fold the right top corner to the center using fold line 4. Do the same on the top left.
6. Fold and crease along line 5 to hold step 4 in place. Then fold in half.
7. Fold the wings down on line 6 to make them flat.
8. Fold the wing tips up following line 7. Then open the wings like they are flying.
9. Your airplane is ready! Hold it in the middle and gently throw to watch it fly!

Teachers and parents, be sure to capture the moments with your camera. These memories are sure to last a lifetime. Share on Social media. When sharing your Zeesources images online, be sure to tag us at @ZeeZeesFoods and hashtag #ZeeZees!

PAPER AIRPLANE

5-min kid craft - No scissors needed!

What you need:

- **Printed Zee Zees paper airplane**
  Print one for a child or enough for the class

Instructions:

1. Start with the paper in front of you with the "UP" arrow at the top. Flip the paper over so that the printed side is facing down and the lines are not visible.
2. Fold the paper in half lengthwise, making sure to crease along the edge. Then, unfold the paper.
3. Fold the top right corner down to show line 1 and press down to make a fold. Do the same on the top left.
4. Fold the right side to line 2 and make another fold. Do the same on the left.
5. Bend the tip of the paper down to line 3 and crease it.
6. Flip your paper length wise. Using line 4 fold in half. Make sure the edges of the wings are even.
7. Fold the wings down on line 5 to make them flat.
8. Fold the wing tips up following line 6. Then open the wings like they are flying.
9. Your airplane is ready! Hold it in the middle and gently throw to watch it fly!
